Terminal Disclaimer

1. The terminal disclaimer filed on 4-15-04 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patents 5,115,346; 5,239,406; 5,355,245; 5,523,877; 5,864,419; 5,986,797; and 6,122,093, has been reviewed and is accepted. The terminal disclaimer has been recorded.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification's pre-amendment, filed on 10-9-2001, at page 1, the status of the parent application has been updated by inserting after "serial no. 09/665,614, filed September 18, 2000," the following, ---now U.S. Patent 6,304,363,---.

Claims 143-165, 167-172, 174-214, 216-239, 241-246, 248-284, 286-312, 314-319 and 321-357 have been canceled.

Authorization for canceling the withdrawn claims was given in the Applicants' representative's response, filed on 4-15-04, on page 41.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The prior art does not show or fairly suggest the claimed invention of a reduced ultraviolet transmitting, safety-protected, variable transmission, vehicular glazing assembly or window assembly, respectively, having the claimed structure and claimed limitations, wherein a rejection under 35 USC 102 or 103 would be improper. Please particularly note the combination of claimed elements and claimed limitations, especially including the filing of the terminal disclaimer.

Therefore, in light of the Applicants' arguments and/or amendments, the claimed invention is considered to be in condition for allowance as being novel and nonobvious over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

4. The drawings were received on 10-9-2001. These drawings are approved, including the drawing changes made.
